Elevate Your Wellness Journey with Vassa - Your Gateway to a Bespoke Lifestyle

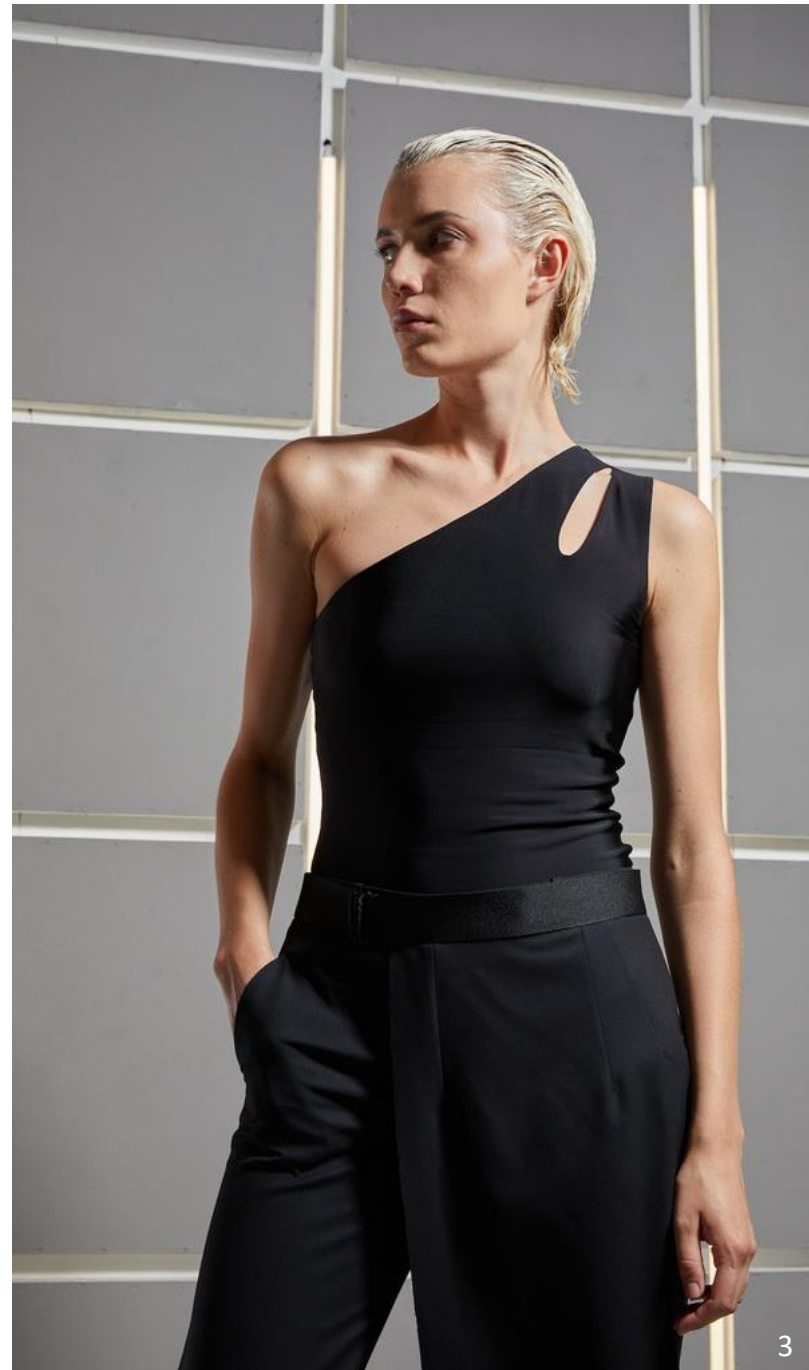

Elena Vassa is a visionary fashion designer whose creativity and dedication to quality have propelled her brand to the forefront of the luxury fashion industry. She has revolutionized the industry with her signature style of sharp silhouettes, clean lines, and subtle elegance, and has earned a global following of prominent clients and celebrities.

Her designs have been showcased at New York, London, and Russian Fashion Week, receiving high media reviews. Vassa's clientele includes prominent celebrities like Ivanka Trump, Florence Welch, Sarah Jessica Parker, and Anne Hathaway.

Her success extends beyond fashion, as she has expanded her brand into the world of hospitality with Vassa Hotels, a wellness clinic, and a member's club. Elena's passion for excellence and her unique approach to fashion has inspired countless individuals and will undoubtedly continue to shape the industry for years to come.

"I truly believe luxury is doing simple things right in a non-complicated way and service has to be genuine from the heart-not a branded approach."

WELLNESS PARTNER

EPI® Medical Wellness is a company founded by Tajana Trtanj and Gorjan Pavlic, who are experts in the sports, health, and wellness industry with Master Degrees in Sports Science, Kinesiology, Management, and Marketing.

They met the CEO of Nordic Labs in 2012 and discovered the potential of combining genetic profiling with holistic wellness solutions to create tailor-made health programs for clients. EPI Wellness is the managing partner for Vassa Wellness and provides personalized programs for holistic and sustainable wellness.

The company is committed to innovation, using epigenetics and biomarker testing to address the root causes of health issues.

EPI Wellness partners with Vassa Hotels to provide exceptional experiences for clients worldwide, reflecting their belief that the future of hospitality lies in offering guest's holistic wellness.

VASSA HOTELS

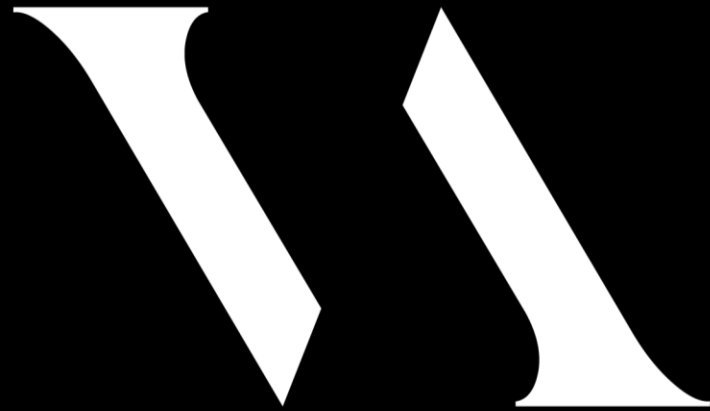

Rana is an experienced leader in the hospitality industry, having managed luxury hotels worldwide for over 20 years at top brands such as Raffles, Fairmont, Marriott, and Regent Intl. With a mission to create authentic and sustainable experiences for guests, Rana is dedicated to delivering personalized service and bespoke products that promote longevity and wellness.

As the founder of Vassa Hotels, a wellness-focused hotel chain, Rana's innovative approach has resulted in a loyalty program that truly rewards guests for their loyalty, fostering long-term relationships rather than just short-term transactions. His commitment to sustainability, longevity, and authentic experiences has positioned him to create a brand that embodies these values and brings together like-minded travellers, members, and service professionals to provide exceptional service to guests.
